	Title	CIRCUIT BOARD HAVING IMPROVED SOLDERING CHARACTERISTICS
	Atty Docket Number	DAKTRONICS

I/we hereby certify that the invention disclosed in the attached application **has not and will not** be the subject of any application filed in another country, or under a multilateral agreement, that requires publication at eighteen months after filing.

I/we hereby request that the attached application not be published under 35 U.S.C. 122(b).

X 
Eric S. Bravek 07/25/01

X 
Randy S. Uehran 07/25/01

This request must be signed in compliance with 37 CFR 1.33(b) and submitted with the application **upon filing**.

Applicant(s) may rescind this nonpublication request at any time. If applicant(s) rescinds a request that an application not be published under 35 U.S.C. 122(b), the application will be scheduled for publication at eighteen months from the earliest claimed filing date for which a benefit is claimed.

If applicant(s) subsequently files an application directed to the invention disclosed in the attached application in another country, or under a multilateral international agreement, that requires publication of applications eighteen months after filing, the applicant(s) must notify the United States Patent and Trademark Office of such filing within forty-five (45) days after the date of the filing of such foreign or international application. **Failure to do so will result in abandonment of this application (35 U.S.C. 122(b)(2)(B)(iii)).**
